2022-2023 Addendum

Lane Community College Catalog

About the Addendum

The catalog addendum reflects modifications to course or program information that was updated after the catalog was first published online.

Courses

This section includes any modifications to course information that occurred after the initial catalog publication date.

- Corrected title of [ESL 0516F](#) to ESL College Transition Listening and Speaking Level F
- New course added: [PSY 202_H - General Psychology-Honors](#)
- [ENGR 211](#) - removed PH 211 prerequisite and updated course description
- [MTH 105](#) - added additional prerequisite option: MTH 020 or MTH 065 or equivalent course with a grade of "C-" within the last two years and must be enrolled in MTH 199A
- All WATR courses have been inactivated and removed from the catalog as the Water Conservation program has been suspended

Programs

This section includes any modifications to program information that occurred after the initial catalog publication date.

- **Nursing, AAS** – ART 111 has been added to the 'Choice of Electives' list
- **Baking and Pastry, Certificate of Completion** - removed old note referencing writing and math prerequisites, as they no longer apply
- **Water Conservation, AAS** - This program was suspended as of 9-14-22. No new students will be admitted effective immediately. Please contact the academic advisors for this program for information about this suspension: academicadvising@lanecc.edu
- **Computer Programming, AAS** - CIS 125D was removed as an option in a list of course choices. It was inadvertently left in. myGradPlan had already removed the choice back in May of 2022
- **Early Childhood Education: Infant & Toddler, CPC** - the total cost has been corrected

Other Catalog Content

This section includes any modifications to other information included in this catalog.

- [CS 133C](#) [CS 133N](#) [CS 133P](#) [CS 233C](#) [CS 233JS](#) [CS 233N](#) [CS 233P](#) [CS 233S](#) - added to meet the Science Area of Inquiry in [General Education Course Equivalencies to UO](#)
- [MUS 103](#) - added to meet Arts and Letters Area of Inquiry in [General Education Course Equivalencies to UO](#)
- Under the Biology course list [found here](#), the statement "*Additional BI 101, BI 102, and BI 103 courses will count as electives*" was old information and has been removed. Any additional BI 101 or 102 or 103 no longer count as electives since 2020. Information is correct in degree programs.
